ICA forum on Loomio platform for sharing experiences and needs during COVID-19

ICA has launched a forum for its members to participate in coordinating the global cooperative response to the ongoing Covid-19 crisis. The platform, created on www.loomio.coop, a worker cooperative based in New Zealand, provides the space and means to share and build the cooperative narrative in terms of the movement's impact across socioeconomic scales, and create a consolidated response to the crisis.

Members are invited to share their ongoing experience and needs, including short-term and urgent ones such as medical supplies, and more long-term ones. There are five main threads on the platform:

- The situation on the ground
- How are you helping?
- What do you need?
- Cooperative Solidarity Fund
- Online resources and links
